

We're opening our conference doors to you

Updates on all the key disciplines in one day - fire, energy, building performance and building control - we invite you to be part of LABC's one-day conference

- LEARN alongside building control teams
- GAIN a wealth of technical guidance across fire, energy, building performance and building control
- NETWORK with industry professionals, clients and suppliers
- GET INVOLVED in our interactive workshop sessions and find answers to your questions
- HEAR from respected industry speakers across all disciplines
- LEARN about the impact of fire, energy, building performance from our speakers and practitioners
- MEET and network with like-minded professionals

Our conference sold out last year! Don't miss out, book your place early by visiting www.labc.uk.com/labctraining

About LABC

LABC is a not-for-profit membership organisation that represents all local authority building control teams in England and Wales who work with industry and building professionals to ensure compliance with the Building Regulations. There are 3,000 surveyors working in LABC, providing a consistent national service that is delivered at a local level. Visit www.labc.co.uk
